A solid red horizontal bar, likely a placeholder or a decorative element at the bottom of the page.

The image consists of a solid black rectangular background. Along the bottom edge, there is a sequence of white geometric shapes. From left to right, these shapes include: a diamond (rhombus) pointing upwards; a triangle pointing upwards; a zigzag pattern composed of two thick, dark grey lines forming a V-shape; another triangle pointing upwards; and a final triangle pointing upwards on the far right. The lighting creates a subtle gradient effect on the white shapes, with the leftmost shape appearing slightly darker.
